Beautiful traditional Japanese inn

"Kyoya is a beautiful traditional Japanese inn, in the city, with many conveniences, and a warm welcoming proprietor. Sleep in a room with a tatami mat floor, and wear traditional Japanese slippers. Enjoy sitting in the Japanese garden courtyard, and bathing in a traditional onsen. Hot and cold tea, coffee, water, and any toiletry you may have left at home is readily available at all hours."

Great Ryokan in Nagoya

"Hidden in a side street of Nagoya, this Ryokan is definitely a small gem of indulgence. It is run by a very friendly staff, has a beautiful inside garden and a onsen to relax if you are passing
