Charming and Warm Ryokan.

"The room comfortably fit a family of 4 and with adequate space for a living room with a 4-seater sofa. The room opened up to a beautiful garden. The view is breath-taking. The ryokan has all the modern amenities to keep you comfortable, and yet have the rustic homely feel and warmth to charm you. The host is extremely friendly and helpful. The only down side is its distance from the Nagoya Station (about 17min walk). But the walk is generally along well pathed and flat walkway. It is not too difficult even when lugging luggage. In summary it is a wonderful experience that my family cherished."

Thank you for staying with us and taking your time to writing a review.

We are so pleased to hear you liked the view from guest room. We are also glad to have received positive feedback regarding the room size, amenities, and atmosphere.

Kyoya is not very close to the station, particularly for guests with heavy luggage, thank you for your kind understanding.

Anyway, I hope it was a memorable trip for you and your family. We are looking forward to hosting you again.
