Best hostel ever !

I've travelled around the world and I admit this is the best hostel I've stayed ,, the staff are super friendly and everything is so cleaned. Coffee tea and even bicycle are free to use ,, they have a beautiful Japanese garden with a hot bath inside , a bonus !! The gentleman upgraded me a private room and I couldn't thank him enough ! Definitely will come back for future trips !

Dear najingxiang,

Thank you for sharing your experience and nice photoes. Fortunately (unfortunately for us (T_T)), we had some vacant rooms at that day, so we upgraded you. Anyway, it is our honor that you thought of us as the best hostel !
We are looking forward to your next stay.
